EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Farber on 6/02/04.

3. During the interview, applicant agreed to amend claim 13 to correct the informality without changing the scope of the claim. The application has been amended as follows:

Claim 13, lines 20-21, "a cover attached to the rear end of the transmission case; and" have been deleted.

4. The following is an examiner's statement of reasons for allowance:

Claims 9 and 13 were indicated allowable and have been rewritten in independent form including all of the limitations of the base claim and intervening claims.

The prior art of record does not disclose or render obvious a motivation to provide for a manual transmission having a main shaft connected to a main clutch, a counter shaft provided under and in parallel with the main shaft, an input shaft coaxially connected to the counter shaft, and a front differential provided under the counter shaft for transmitting driving power to the front wheels via a front drive shaft as defined by the limitations of claims 9 and 13; including a transmission case enclosing the main shaft, the counter shaft, the front drive shaft and the front differential; wherein the transmission includes an auxiliary front transmission case, an

Art Unit: 3681

intermediate transmission case connected to the auxiliary front transmission case, a rear transmission case connected to the intermediate transmission case, and an auxiliary transmission room formed between the auxiliary front transmission case and the intermediate transmission case; wherein the auxiliary front transmission case includes a front wall behind the clutch for supporting the main shaft and the counter shaft, the intermediate portions of the main shaft and the counter shaft are included in the intermediate transmission case, and the rear portions of the main shaft and the counter shaft are included in the rear transmission case.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ha D. Ho whose telephone number is (703) 305-0738. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-2168.
